- I have reviewed and gone over the job assignment with my Captain/Co-Captain.
- I have agreed to all of the responsibilities of the job and understand how to execute it.
- I will wear the Volunteer T-shirt and Badge while on duty and I will wear it **before** I enter the Morro Bay Harbor Festival.
- When I arrive at the Festival I will check in at the Volunteer Booth with my Captain or Co-Captain. If he/she is unavailable or already at the job site I will check in at the Volunteer booth and sign my name on my Nonprofit Group's Verification of Hours form.
- If my job requires pouring and serving alcohol I **will not** consume beverages while working because I know this is a violation and could result in a forfeiture of this and future assignments. I understand the nonprofit group I represent will also be docked in pay. If I am responsible to pour alcohol I will make sure the people I am pouring alcohol for have **ID** and a **Wristband**. They must be 21 years of age or over and I will not overserve alcohol to patrons who are obviously intoxicated. It is against ABC policy to serve alcohol to a minor and not only will the Morro Bay Harbor Festival face a fine but the individual pouring will receive one as well.
- I will hand in my Badges and Lanyards when the Festival is over at the Volunteer Booth. I understand that my group's benefit will be reduced if the festival does not receive them back at a cost of \$1.50 each.
- I will not leave my job unattended and when my shift is over I will wait for other volunteers in my group to relieve me. I will not pull volunteers from another group to do our assigned job. I understand the nonprofit group that I represent will be docked in pay.
- If there is a problem with the job or if no relief shows up I will call my Captain or Co-Captain for assistance. If, for some reason I am unable to get ahold of him/her, I will then ask the Volunteer Coordinator for assistance.
